

"Teach Them To Shoot"

Remington UMC 22 Caliber Rifles

THE American father today has pretty much forgotten the old notion that any chance rifle "will do" for his boy. The known facts about rifles point as strongly to Remington UMC in the 22 calibre arm as in the big game rifles.

Every year, thousands of boys the country over are given a Remington UMC 22 Cal. Rifle and are taught how to use it by their fathers. It's a good investment with any developing youth.

Remington UMC 22 Cal. Repeating Rifle with the famous Remington UMC Slide Action and Solid Breech—hammerless and safe. Shoots 15 shots, 12 Long or 11 Long Rifle Cartridges without reloading—easily taken apart without tools.
